NOTATION.

Book mark: Act no. 1168

Record and Pension Office,

WAR DEPARTMENT,

Washington, D.C. Jan. 5, 1874

The notations of March 24, 1865, Aug. 10, 1876, July 12, 1876, and Sept. 29, 1876, are cancelled.

He was admitted to hospital steamer "Bethesda" Creator June 24, 1862, with remittent fever; admitted to Mo. U.S.A. Louisville, Ky. June 27, 1862, with gonorrhea, diagnosis also shown as chronic diarrhoea; and deserted July 14, 1862.

He signed his own

name

Wm. [illegible]

(1334) Copyist.

Jany & Dec. 10, 1862 and was restored to duty by Brig. Genl. Wm S. Smith, commanding 4th Division, 14th A. C., Dept. of the Cumberland; was captured at Chickamauga, Ga., Sept. 19, 1863; confined in Rebel Prison, Richmond, Va. Sept 29. 1863; sent to Camille Ga. Dec. 17, 1863; and admitted to prison-hospital, Andersonville, Ga., Sept. 8, 1864, where he died the same day of dysenteria. As the man was restored to duty by competent authority, without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government) the charge of desertion no longer stands against him. The record of the fact that he was absent in desertion from July 17, 1862, to Dec. 10, 1862, cannot, however, be effaced.

Capt. Co. H

Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, in situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for *pension*, special care must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1351 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the competent of the proper authority, sign the soldier's discharge, and the last certificate on this paper, see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Assistant General United States Army at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for pension, special care must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect [illegible] deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward one of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Dear General

At the General Court Martial which convened at Glasgow Ky on Nov 20/62 pursuant to General Orders No 15 was tried 2. Lt. Sergeant H. A. Preston, on the charge of drunkenness. He was found guilty and sentenced to forfeit $20 of his pay = It was not an aggravated case, and it was the first time I had heard of being drunk on duty. It was during the reign of "Apple Jack" up in Ky, when officers higher in rank fell by the wayside and were not punished, and as he is poor, I would ask of you, if you can consistently, to revoke the sentence.

I send you a copy of the proceedings, which please return and

Much Obliged

I enclose copy of charges sent to these Head Quarters through regular channels preferred by Capt Brown 2d Ky against Rev. Wm. Price Chaplain of that regt.

The matter set out in the charges and speaking difficulty in the regt. & a strong current of feeling is setting against Price there, growing out of them. The charges ought to be investigated at once. I have a Genl Court Martial sitting & propose to refer the charges to this.

Mr. Price is at Nashville I understand I have to request that the Provost Marshal Genl. there be requested to direct some one to report to these Head Quarters that the whole thing may be duly investigated. Straightway.

Sir.

I have the honor to tender my resignation as Chaplain of the 2nd Ky. Reg. Vol Inft. for the following reasons.

1st Sickness in my family. The severe illness of my Wife for many Months and the great mental depression produced by sickness and my absence cannot but prove fatal in a short time; and the urgent necessity of my being with her impels me to request the immediate acceptance of my resignation.

2nd I have been connected as long as two years in the army that my services can be more useful elsewhere.

I state on honor that I am not indebted to the U. S. Government in any manner whatever. I have no government property in my possession that I have not been charged against and that I am aware of that can effect my pay. That I have not been absent without leave. with the exception of five days during my late visit home (the delay in returning at the expiration of fifteen days leave of absence was occasioned by one of the severe attacks of illness to which my wife is subject.) and that I have been paid up to the 30th of June 1863.

Sir.

I hereby respectfully ask for a leave of absence for fifteen days (15) for the purpose of visiting my family. My wife has been sick for months, and recently she has had several hemorrhages of the lungs, and her Physicians consider her at present in great danger of her life - Consumption of the lungs - resulting in her family I am very apprehensive from the symptoms that, that disease has made fearful inroads on her constitution that the disease may prove fatal in a short time. I am hence more anxious to see her as early as possible, and hope my application under the circumstances will be granted - I have been in the service and with my Regt for more than two years, and am anxious to remain until the close of the war, and do not expect to ask again for permission to visit home, until my Regt is disbanded.

A A A G. 1st Brigade

Sir

I understand that the Chaplain of this Regiment Rev Wm Pirtle is making an effort to be detailed on detached duty as a Post Chaplain. While I do not question Mr Pirtle's piety or professions of religion, yet I believe that the good of the Regiment requires a Chaplain with it in the field. They go & would most respectfully request that any efforts of his to be detailed be disapproved. The Regt needs his services very much

D. R. Anderson Lt Col
Comdg. 2nd Ky. V.I.

Head Qrs 1st Brig. 2 Div. 21 Corps
Cripple Creek March 15. 1863.

General.

I herewith enclose a note from Lt. Col Nurd (Comdg 2nd Ky Vols. of my Command), protesting against efforts on behalf of his Chaplain Rev.d Mr Price to have himself detailed as post Chaplain at Murfreesboro. I have this moment rec.d Extract from orders (Special Field) No 69 detailing him as Chaplain of Field Hospitals at Murfreesboro.

A few days since Rev. Hiram Gilmore 31st Ind was detailed as post Chaplain at Murfreesboro under Extract Special Field orders No 61. — These two details leave the brigade without a Chaplain.

The two gentlemen alluded to have been with the brigade but little since I have commanded it (Oct 1/62). Mr. Gilmore has not been with his regiment since April 6 1862 for ten days. & Mr Price but half the time since I have had brigade.

I respectfully ask of the Maj. Genl Comdg that these two Chaplains be sent immediately to their regiments. I deem them with the brigade & I think their conduct in slipping into Murfreesboro & procuring themselves detailed to easy berths & cosy rooms in homes, without the knowledge of their immediate Commanders is unprofessional & improper. If the government intends

The consolations of religion for the soldiers in the field it is high time that Chaplains, who are drawing good salaries, should stay with their regiments ~~but seldom~~ & perform their duties of their office. & not attempts to make hospital nurses of themselves, when detailed men who cost the government only $13 per month can perform these duties better. I have a high regard for the profession of the clergyman- I think the soldier in the field needs his services & respectfully protest against any "shirking" from the privations of camp life on the part of my Chaplains. I am opposed to the procurement of details which take them from the field. I ask that these Chaplains be sent back.

With great respect.

I am Genl.

Yours truly

P.S. I have sent for Chaplain Rice & read the above to him. He agrees with all its propositions & thoroughly that he does not wish to be detailed - & that he desires to be left with his regt. & that the whole thing is the work of a medical friend so far as he is concerned.

Muster Application for
Discharge. —

Nov. 1903. This paper was formerly filed in the Dept. of the Ohio, Office of Musterin Officer, Ky.

It is informed by Dr Dolan (Ky)

Ky for it.
Filed Aug 3/66

Indianapolis. Ind.

August 1st. 1866

Provost. Marshall. Gen. of. Ky.

Dear Sir I wish to
Enquire if my Discharge is in your Possession
and if so how I could obtain it, was sent to
Covington. Ky. to get mustered out, previous to
that I had hired to Capt C. H. Dennis A. Q. M.
at Nashville Tenn. having to lay at Covington
waiting for the Completion of Muster Rolls
I received an order from Nashville to Come
down right off, I showed my order to my
Capt and Lt Col, when he told me, he would
get my Pay, and get me mustered out, but that
I could not get my discharge papers just then
that he would send them to Nashville as soon
as the Regiment was Paid, but they never made
ed me, and thinking that they might be sent to
your offices will you please inform me

Very Truly Yours

Respectfully forwarded. I am satisfied from careful enquiry that Surgeon Reed - who is now under arrest upon within charges is not a proper person to remain in the service. It is desirable that he be got rid of either by accepting his resignation under charges or by summarily mustering him out. I have no particular choice as to the mode. Charles Crossthwaite Lieut Col

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special* care must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

The proceedings, findings and sentence were approved and promulgated in G.O. No 139. Hd. Qrs. Military Governor of Alexandria, Va., February 14, 1865. Report in reference to George
Ridgeway Pvt. Co H. 2d Ky
Vol. Infantry

Co. K

Jno. I have the honor to make the following report of George Ridgeway Private of Co. K 2nd Regt Ky Vol Infty.

Ordered George Ridgeway was Enlisted at Jeffersonville Indiana on or about the first day of May 1861 by Captain O. C. Slacy and Mustered into the service of the U. S. on the 13th day of June A.D. 1861 to serve for the period of three years or during the war.

In the fifteenth day of February 1862 he was sent by the Surgeon to the Hospital at Bardstown Kentucky remaining there a short time he was sent to the Hospital at Louisville Ky.

He was reported an absent sick upon the Company Roll until nothing could be found of him only a report that he had Enlisted in a Cavalry Regt. On the Ninth day of June 1862 he was reported as a deserter and his name dropped from the Roll of the company

I took command of Co. K 2nd Ky Infty on the 25th day of June 1862 Vice Captain Slacy relieved. and was in command until July 24th 1863. when I was relieved by Captain Slacy

During the period of my command, I
have never heard nothing officially from
Sergt Ridgeway until on or about
the 12th day of June 1863 when I was sum-
moned to appear at a Court Martial
then sitting at Murfreesboro Tenn. as
Lt Head Co. of the 5th Brigade of Genl Johnsons
Division. Also to make out Charges against
the said Ridgeway for Desertion from
the 2nd Regt Ky. Cav. Infty. I made out the
Charges, and reported as ordered I was
then informed that he could not be tried
for two offences at the same time; and
that I would be compelled to await the
sentence of the first to be executed. before
he could be Tried for the Second, and was
promised a copy of the proceedings of the
first trial as soon as promulgated.

The next report of him was that he
was at Tullahoma Tenn. under guard
A request was made by Capt Story
Provost Marshal Genl Thomas to the Regt
that Genl Johnson be informed as to the
facts pertaining to Ridgeways case
and obtain his release, which was
granted, and on the 14th day of August
A.D. 1863. he rejoined the Regt at Manchester
Tennessee. and his name mentioned upon
the Company roll

He performed the usual duties of a Soldier until on or about the 17th day of Sept. & he was ordered by Captain Stacy to take Care of a horse for him which he did until he was sent away Sick to the Division Hospital at Chattanooga Tenn. on the 15 day of October A.D. 1863;

I do not know why there were no Charges sent forward against Ridgeway: Except what I learn from what the Enlisted members of the Company: that he had no Official information of his discharge, or any Commission or Salaree; and that Lieut Parkhurst had no business to report men deserted unless officially notified of their absence;

Commanded the Company no part of the time while Ridgeway was with the Regiment

NOTE 1.—This blank will be used for both enlistments and re-enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting roster of the organization (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company to which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in does, in all cases, provide payment of pay, bounty, pension, &c. A muster-in and case, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or national commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Certificate of Disability for Discharge.

Chesterfield Rumble of Captain Hiram Spencer's Company (D) of the 3d Kentucky Regiment of U. S. Volunteers, was enlisted by Capt. Spencer of the same regiment, at Cincinnati Ohio, on the 11th day of July 1861, to serve three years; he was born in Amsterdam New York, is 18 years of age, five feet 5½ inches high, light Complexion, grey eyes, light hair and by profession a druggist when enlisted. During the last two months said Soldier has been unfit for duty fourty days

Said Soldier when enlisted was in good health, but since then has become deaf in one ear, and blind or light in the other, and is frequently subject to fits, rendering him entirely unfit for service.

Hiram Spencer Captain
Commanding Company.

I certify that I have carefully examined the said Chesterfield Rumble of Captain Spencer's Company, and find him incapable of performing the duties of a Soldier because of Deafness arising from destruction of the organs of hearing and frequent epileptic discharges from the ears. And from the history of the complaint, he never has enjoyed good health.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the account of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A reenlistment holds to all arrears, pension payment of pay, bounty, pension, &c.
